Recent and upcoming programs report

We spent some time reviewing the MLD. The Pond House was helpful. We were able to bring our own wine which saved on costs. It was a nice venue and the group agreed it was a good place to hold another MHC event. Didn't have enough members to vote on by-laws. We will change from spring to fall for 2006. Tuesday, October 17, 2006. Amy will work on this event again

Kristin reviewed programs and we all talked about ideas for the summer/fall/winter calendar

June – Networking event w/Cori from the AA

July – Red Dress walk for healthy heart awareness

August - Have a book club meeting. We will read the same book as the incoming first year students

Fall – Accapella event w/other colleges. Carlin has a contact at Trinity

December – Networking event w/Cori from the AA

Other ideas – First Thursday at the Wadsworth for November, Festival of Trees in late November/early Dec. The Club can decorate a tree at the November board meeting, Mark Twain House, Wine tour, This year MHC will host the three college luncheon. Kristin and Carlin will work on this.

Young alum report

Christina reported that the recent happy hour was May 10. Eleven people came. \$88 of the \$100 donated by Sara Taylor was used for the food and beverage bill. The next event will be at City Stem on June 15 for the comedy club. Other ideas are Rock Cats game, BBQ. Christina commented that the evite idea worked well.

Book Award

Alison reported. Linda didn't receive any new sponsorship

By-laws

We have some time to work on them over the summer before the next MLD
