Treasurer's report

We are in pretty good shape. The club may want to consider using some funds to support young alum events. Also we can help reduce the cost of the Mary Lyon Dinner for young alums – possibly half price for classes five years out or less since Karen heard that many young alums felt the price for the dinner was more than they felt comfortable paying.

Recent and upcoming programs report

Sunday, June 25 - Networking event in West Hartford at 2pm. Cori will be coming from the AA to present. There is a low count but we will keep the event scheduled. Kristin has been in touch with Corey.

Saturday, July 8 – Red Dress event for women's heart disease awareness.

Tuesday, August 15 – book club event. We will read the new Tracy Kidder book entitled Mountains Beyond Mountains. This is the book about Dr. Paul Farmer that the incoming first year students will read. Still exploring a venue for this event. Sara offered to have event at her home.

Tuesday, October 17 – Mary Lyon Dinner. Amy will contact Pond House to secure date and see if we can get a discount for booking three college luncheon and MLD.

Survey Results

Alison shared the survey results with the group. We also have a hard copy to review.

Young alum report

Karen reported on the June 15 event at City Steam. At first there were 15 people coming but there ended up being 7. The next event we will have outside and give an opportunity for socializing. A BBQ was suggested. Sara offered to have the BBQ at her house.

Admissions

We will contact Noreen about the upcoming BBQ for incoming and current students. Figure out who will plan and where it will be held. There were some suggestions about not inviting book award recipients but instead inviting them to an event in the fall for a recruiting event.

Book Award

Alison reported. Linda didn't receive any new sponsorship. Alison presented her book to her student and enjoyed that event. Other sponsors may want to do this in the future. We can list this information on the web site and newsletter so more people know about the program.
